

“How to Beat The IRS, Legally... Plus, Protect Your Assets From IRS Seizure...”

Now that the joyous holiday season has left us, a not-quite-so-joyous season for most Americans is quickly descending upon us: Tax time! For some of your listeners, tax time will result in owing some money to the IRS.

Marc Adams, an Enrolled Agent licensed directly by the United States Treasury to represent taxpayers, is the owner of MCA Certified Tax Preparers LLC in Bergenfield, NJ. Marc is available for interviews to help ensure that your listening audience is ready to make the most of tax season. He is an entertaining, yet informative, speaker.

Marc is the author of the just-released book, *The Simple Resolution: A Layman's Guide To Resolving Tax Problems*, available now on Amazon. Marc will tell your audience how they can make the most of the tax laws for their benefit, rather than the government's. He will cover topics such as:

- Exactly what self-employed individuals need to do in January in order to avoid expensive tax penalties;
- The actions required by small business owners in order to stay off the IRS radar this tax season;
- Commonly missed tax deductions that can turn a tax bill into a tax refund;
- Why fear is the single best weapon used by the IRS;
- What to expect when your tax return shows an amount due that you cannot afford to pay;
- How to address a bill from the IRS;
- What to do when the IRS comes knocking on your door;
- How to avoid getting ripped off by con artists in the tax resolution industry.

To interview Marc and let your audience in on these powerful tax saving secrets BEFORE a tax bill arrives, please call him directly at (201) 338-4606.
